Scramble Format

1. All members of the team will hit their tee shots on each hole.
2. The team will then select the best location to be used for their second shot. All other balls will be picked up.
3. Each player will hit their second shot from the selected spot. This procedure will be followed for each shot until the ball is holed out.
4. Each team member shall place their ball within one club length of the selected shot, no nearer to the hole. If the shot selected is played from a hazard, bunker, rough, fairway, or fringe, the ball must remain in the same condition.
5. On the putting surface the ball shall be placed within one putter head from the mark used, no nearer to the hole.
6. To save time, any player may putt out, without penalty, at that time.
7. All men will tee off from the white tees.
8. All women may tee off from either the white or red tees.
9. Please play as quickly as possible; we would like everyone to finish within 4 to 4 ½ hours. Thank you
